A food lover's guide to great dining around Jackson Hole and Teton Valley

www.dishingjh.com

THE DISH

Join us as we explore Jackson Hole's culinary scene. We'll tell you where you should eat, what you should order and what's new. Let's dish.

The Tetons' culinary scene goes way beyond cowboy cuisine. Jackson Hole and neighboring Teton Valley boast an array of restaurants as worldly as the people who live here. Choose from award-winning cuisine or a curbside burrito. Order a \$2 tall boy Pabst Blue Ribbon or a \$500 bottle of wine. Dishing helps foodies find what they are looking for.

We are the only culinary magazine of the Tetons, offering local restaurant information and food-related news. The biannual print magazine focuses on the culinary scenes in Jackson Hole and Teton Valley, offering residents and visitors entertaining information about restaurants, food trends and chefs in the region. With almost every restaurant in town participating, Dishing is the best resource to inform readers about where to eat and what to order so that they have the best experiences.

On Dishingjh.com, our daily blog expands upon stories found in the print publication; publishes recipes from area restaurants; features regular columnists; and keeps a comprehensive calendar of events. The website also offers video content, a recipe database, restaurant menus, a map and listings. With the ability to book your reservations, our site is your one-stop source for everything foodwise in Jackson Hole.

WITH DISHING, YOU WILL REACH READERS WHO ARE HUNGRY FOR WHAT WE OFFER: USEFUL CONTENT, GOOD DESIGN, UPDATED INFORMATION AND STYLE.

WHAT PEOPLE ARE SAYING

What people are saying about Dishing

While visiting Jackson Hole in February, I relied quite heavily on your dining guide. I believe I got to experience MOST of the best restaurants in JH. I stayed at Rustic Inn Cabins; and I picked up your mag there. It has a very nice format! I travel frequently, and part of my trips are trying to find the best restaurants in the area. – Laura Ulshoefer, Wrightsville Beach, N.C.

Whenever I see that there are shares on a Facebook post, I usually have a good guess that Dishing was one of the shares. They have been incredibly helpful at spreading the word for us on events and promotions at the restaurants. Getting the word out to not only our fans but their fan base as well has made a noticeable difference in our reach and impressions. – Emily Beardsley, Teton Mountain Lodge and Hotel Terra

Dishing wrote a blog story about our salsa company, and an hour after it went live the traction on our website was incredible, with more than 600 visitors, more than 200 Facebook likes and 27 new customer orders. It was a tremendous boost for us, and the article was reposted numerous times on many social media platforms by companies and bloggers. This is a small town magazine with a big time audience! – Andrew Bourke, Founder, Tenayo Salsa
